

Our School Values are Integrity, Kindness and Excellence

Summer Term Newsletter

As we are well into the Summer Term there are lots of dates to share with you all about upcoming events in school.

There are a number of trips taking place, Years 3 and 4 are having a different trip experience this year with Mission Possible! An outside agency is coming to the school to carry out a day of team building activities for the children. Without having to spend time travelling, the children can really get the most out of a full day of adventures.

We have recently held a successful sports day for both KS1 and KS2, the weather was good, the children all loved taking part and we even finished the event with teachers versus pupils tug of war which was great fun!

Last week was the long awaited Albert Village Talent Show and what an afternoon it was – we saw dancers, singers, gymnasts and even magicians, it was very impressive, and our judges had a tough job to decide the winner.

As we approach the end of term, we will be showcasing the Year 6 Production which they have all been working so hard with. Next week we have transition morning where all pupils will get to meet their new teachers for the next Academic Year and to see their new classrooms.

Mrs Lott
Headteacher

Dates For Your Diary

Thursday 26th June 2025 – Year 6 Production for Parents - PM

Friday 27th June 2025 - Non – Uniform Day for PTA Donations

Thursday 10th July 2025 – Year 6 Leavers Assembly for Parents – PM

Thursday 10th July 2025 – School closes for the summer holidays at 3.15pm

News From Around School

Diamonds:

This half term has been very much phonics orientated in Year 1, as we prepared for our phonics screening checks. Thank you for all of your support at home with these, I am really proud of the progress each and every child has made. The Government will release the pass mark threshold towards the end of June and you will receive a letter within your child's end of year report to let you know whether or not they have met the national required standard. Looking ahead, we are very much looking forward to getting stuck into our Animals topic in science and exploring this further during our trip to Twycross Zoo in July! Let's make the last few weeks of the year the best yet!

Jet:

In Year 2, we have been learning about the Great Fire of London. We have absolutely loved this topic - try asking us about it! We know so much! On Monday 9th June, we pretended that there was a fire in the playground and we used the technique of creating a bucket chain to deliver water from the sink in our classroom to the bike rack over the playground. This was one of the techniques they used to put out the fire in 1666.

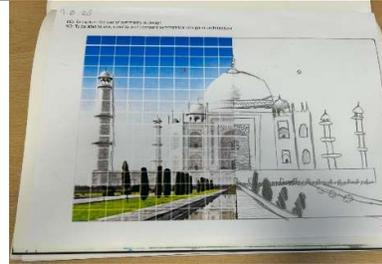

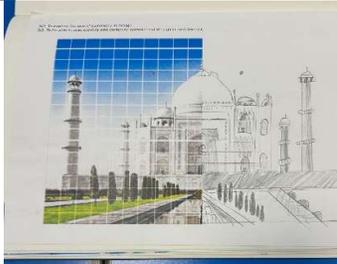

Topaz:

Year 3 children enjoyed their buddy reading with reception and sharing their Fact books about Anglo Saxons with them. The children who went to Saffron Lane shared their experience of the day with the class and we have been exploring rocks and their properties in our new science topic.

In art, we have been looking at architecture. The children did amazing with their bilateral symmetry of the Taj Mahal.

Amethyst:

This half term Amethyst have learnt about The Americas and have enjoyed this very much. We have designed our own mosaics and now know about the water cycle. We all had a great time at sports day!

Blue John:

Blue John had a fantastic time at sports day and enjoyed taking part in all of the events, the Albert Village Talent Show was a great afternoon with singers, dancers and gymnasts showing us just how talented our Albert Village pupils are!

Pearl:

In Year 6 we have been working on cubism in art and looking closely at the features in cubism, we have practising for our Year 6 Production and loved taking part in sports day.

Fun with Forest School!

Albert Village Talent Show

Congratulations to Rose in Topaz who won the Albert Village Talent Show. It was a tough competition with lots of fantastic performers, but Rose really shone out with her singing!

Saffron Lane – Well done to all who took part!

REMINDERS:

- The school day begins at 8.45am prompt - please arrive on time so that your child can begin their learning straightaway. Any arrival after 8.55am will be classed as late.
- Payment for school dinners must be made on Arbor prior to ordering on Relish. Please check your account regularly and keep it topped up.
- All children should arrive at school promptly and correctly equipped for the day ahead, if your child has PE they need to come into school dressed in their PE kit. If they are having home provided packed lunch they need to bring this with them and all children should bring their water bottle.
- All absences must be reported to the office prior to 9.15am. Please call **01283 217880** and speak to Mrs Warr or Mrs Yates. If your child has a case of sickness or diarrhoea please note that your child must remain at home for 48hrs from the last occurrence, this is to prevent the risk of infection in school.

PARKING:

May we please remind everyone who drives for drop-off & pick up to be mindful of and be considerate to pedestrians, our neighbours and other road users when driving and parking near to school. Do not cause an obstruction on the road or the footpath and take care getting your children in and out of your vehicles.

I have been liaising with Leicestershire County Council about the crossing patrol, unfortunately they are unable to back fill whilst staff are absent therefore please be sure to take extra care when crossing the road before and after school.
